**Game Description:**

When the world was shrouded in darkness, the Goddess of Mana drew forth the Sword of Mana to smite the eight Benevodons, monsters of destruction. She sealed the horrors inside the eight Mana Stones, bringing the realm back from the brink. Weakened from rebuilding the world, the Goddess changed herself into a tree and fell into a deep sleep for many years. However, the forces of evil soon sought to free the Benevodons to gain control of the world. They started a terrible war to further their plot and destabilize the kingdoms. Peace was at an end. Mana itself began to disappear from the world and the Mana Tree started to wither...

**Features:**

1. Trials of Mana is full HD remake of the third entry in the Mana series, originally released in Japan as Seiken Densetsu 3. The entire game has been fully rebuilt from the ground up with modern 3D graphics.
2. Create a party of 3 from 6 unique characters – different combinations reveal different stories.
3. Experience completely revamped battle, leveling, and skill systems.
